## PLAY TODAY

You say you love your children and are concerned they learn today? So are we – that’s why we’re providing a variety of kinds of play.

You’re asking the value of blocks and other such play? Your children are solving problems. They will use that skill every day!

You’re asking what’s the value of having your children play? Your daughter’s creating a tower. She may be a builder some day!

You’re saying you don’t want your son to play in that “sissy” way? He’s learning to cuddle a doll. He may be a father some day!

You’re questioning the interest centers; they just look like useless play? Your children are making choices, they’ll be on their own some day!

You’re worried your children aren’t learning and later they’ll have to pay? They’re learning a pattern for learning for they’ll be LEARNERS ALWAYS!!!

# Your Child Is OUR Priority!

## Program Philosophy

The Green House Village Preschool is a community-based inclusive preschool based on nationally accepted developmentally appropriate practices. Our program is based on the belief that all children grow and develop to their fullest potential when allowed the freedom to follow their own biological time clock and when provided with a happy, healthy, caring and stimulating environment. Children with special learning needs thrive when included, and benefit greatly from typical peer role models where children are able to learn and thrive. Play is a foundation of growth and learning for children of all ages, and is therefore the core of our curriculum around which all other goal oriented academics are developed.

## Eligibility

Our school year program is open to all children ages 3 years through kindergarten enrollment with every effort made to accommodate individual special needs for the preschool program exclusively.

Enrollment in our 8 week summer program session is based on an open enrollment policy and on a first come, first served basis.

## 2020-2021 School Year Calendar

The school year's start date is Monday August 31st, 2020, and the end date is on Friday June 11th, 2021 (subject to change). We will follow general holiday and snow days as established by local schools, along with other various local public schools as deemed appropriate.

## Tuition

Contact our office for more information on tuition pricing that fits your child's needs.

## Ask about our scholarship / discount program today!

### 8 Week Summer Session Pricing applies to Weekly Tuition Rates.
